

## GM073 - Proposal Success Rate

*Description* – This report displays proposal success rate, measured by the percentage of proposals funded divided by proposals denied over a specified time period. Pending proposals (those that have neither been awarded nor denied and were submitted in the past 18 months) are displayed on the report to allow other calculations to be performed. Click on the school hyperlink to display data for individual departments. Note: This report will show increasingly relevant numbers with time. Select a date range terminating at least one year prior to today for meaningful results.

*Purpose* – This report gives Faculty and Admin a snapshot of the proposal success rate for a given date range.

*Accessed By* (role or department) – OSR, School Administrators, Department Administrators and ASRSP
