Effective Monday, July 14th, 2014 NUIT Administrative Systems training (formerly Project Café) is moving from the University Library to the Seeley G. Mudd Library, 2233 Tech Drive.

Don’t forget your WildCARD, you’ll need it to access the library!
We’re moving to Mudd!

- From Sheridan Road, enter the Technological Institute, turn left, then right, and walk down through “Wing E Chemistry & Biological Engineering” to the glass walkway connecting to Mudd.
- From Campus Drive (behind Tech), walk up the steps from the service road.
- Parking is available in the garage next to SPAC.

- From the library entrance, walk straight ahead, past the glass-enclosed study room.
- Turn right at the grey column and walk through the “213 Photocopy Room” (next to the restrooms.)
